THE UNIVERSITY OF ALBERTA STAFF BULLETIN

EDMONTON, ALBERTA

MARCH 20, 1975

## NON-ACADEMIC STAFF SALARY AGREEMENT

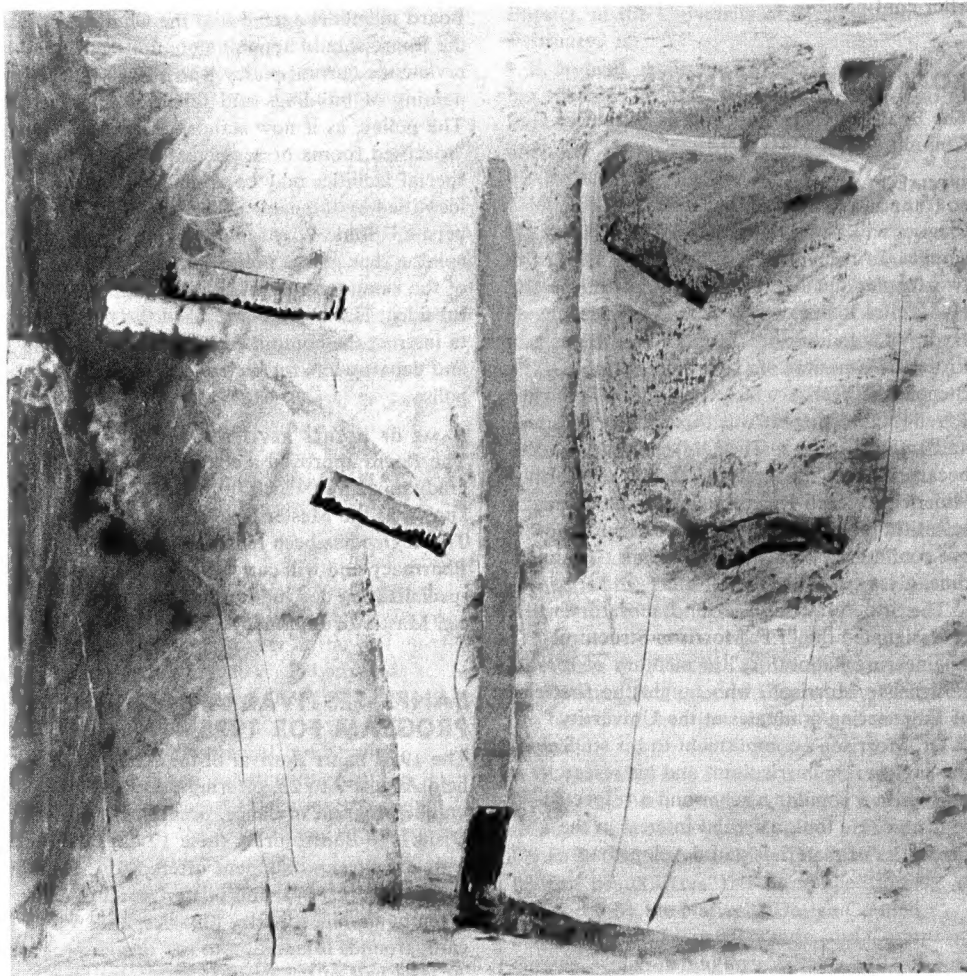

At a special ratification meeting held March 10 members of the Non-Academic Staff Association approved a salary settlement negotiated earlier between the Association and the Board of Governors. Under the terms of the agreement members will receive a 15 percent across-the-board salary adjustment effective for one year commencing April 1, 1975. The 15 percent increase does not include the interim adjustment of \$60 per month across-the-board made in October 1974; that is, the new settlement has been based on the April 1974 salary base *plus* the October adjustment.

Geoff Williams, president of the Association, told members that the average salary increase over the April 1974 base is almost 23 percent. The \$60 per month October increase constituted an adjustment ranging from three percent to 17 percent, depending on an individual's salary; the average of this increase, plus the 15 percent of the new agreement, gives the total of almost 23 percent.

Complaints were heard at the meeting that for members at the lower end of the salary scale the adjustment is insufficient, because the cost of living is equally as high for them as for others. Phil Arnold, Executive Secretary of the Association, explained that several areas in which this is a problem are undergoing further review, as are areas which show a disparity with non-University positions of a similar nature.

The salary agreement also included a clause which stipulates that effective April 1 all full-time regular employees of the University who are not on probation will receive a minimum salary of \$505 per month. Thus a person who, for example, would earn \$475 per month effective April 1 will receive an additional increment to bring his or her salary up to \$505 per month. Mr. Arnold explained that the amount was derived from an average of starting salaries at similar institutions across Canada.

Mr. Williams explained that certain categories of employees would receive additional salary adjustments ranging from five to 10 percent. The categories include Pathology and Bacteriology Technologist I, Nurse, Assistant Supervisor (Nurse), Food Service workers, Housing workers, Switchboard Operators, and Building Service Worker I. Power Plant

*An exhibition of recent abstract color works on paper by Hendrik Bres of Printing Services, and recent sculptures and tar washes on paper by Tommie Gallie of the Department of Art and Design, will open March 22 at Latitude 53*

*Gallery, 10048 101A Avenue. The formal opening will be held Saturday from 8 to 10 p.m.; the exhibition will continue until April 3. The oilpastel (above) by Mr. Bres will be represented in the show.*

positions have been re-assessed completely and new grids assigned. Other categories, including Provincial Laboratory Technologists, Provincial Laboratory Wash-up workers, Housing and Food Service workers, and Farm workers are under review for possible further increases.

Other portions of the agreement increased shift differential from five to 10 percent,

increased annual vacation entitlement to four weeks after 12 years' service, and provided for the addition to general sick leave entitlement of accumulated unused casual absence, during the second to fifth years of employment. As well, full-time regular employees who have requested leave without pay for maternity reasons may now return to work six weeks after the date of confinement (birth of the

baby), or after one month providing a doctor's certificate has been obtained. The former agreement stated that without a doctor's certificate a person could not return to work for at least three months following the date of confinement. The six-week period is the same length of time for which Unemployment Insurance Commission benefits are payable after confinement.

## BOARD OF GOVERNORS

The Board of Governors and its Executive Committee met March 7, 1975.

### SPECIAL PLAQUES FOR LABORATORIES

Plaques will be placed in two laboratories on campus, in recognition of the past services of two former faculty members. A plaque in the Hydraulics Laboratory will read "T. Blench Hydraulics Laboratory," for Thomas Blench, Professor Emeritus of Civil Engineering. Dr. Blench has been a widely-consulted expert in River Engineering. It was through his efforts and enthusiasm that The University of Alberta became one of the first universities in North America to teach River Engineering as a scientific topic. Dr. Blench retired in 1971 but continues his research and, from time to time, gives special lectures.

The Structural Engineering Laboratory will be designated the "I.F. Morrison Structural Engineering Laboratory" in memory of Ibrahim Follansbee Morrison, who taught the first class of Engineering graduates at the University.

Dr. Morrison's commitment to his students, the engineering curriculum, and his research made him a popular teacher and a respected academic. He took a special interest in the properties of materials and developed an

approach to the teaching of that subject. He was on staff from 1912 until his retirement in 1954 and taught every Engineering graduate who studied at this University between 1912 and the late 1940s. Dr. Morrison was awarded the Doctor of Laws, *Honoris Causa*, by this University in 1953. He died in 1958.

### POLICY TO BE STUDIED

Board members agreed that the Chairman of the Board should appoint a committee to review the current policy with respect to the naming of buildings and facilities after people. The policy, as it now stands, states that only "specified rooms or segments of a building and special facilities may be designated and identified by the name of a distinguished person." Some Board members expressed the opinion that such a policy adds to the anonymity of the campus and should be discontinued. President Harry Gunning asked the Chairman to instruct the committee to poll all faculties and departments for their opinions on the policy.

### NAME OF DEGREE REVISED

The Board approved a change of name for the graduate degree which in the past has been known as the Master of Hospital Pharmacy. The degree has been renamed Master of Pharmacy and will carry the appropriate specialization designation in parentheses, e.g. Master of Pharmacy (Radiopharmacy).

## BANFF FESTIVAL ANNOUNCES PROGRAM FOR 1975

The 1975 Banff Festival of the Arts will be held August 7 to 23, offering once again a unique program of dance, drama, and music. Visitors to Banff during these 17 days will have a wealth of entertainment offered to them, with recitals, workshops, and poetry readings being given in churches, parks, libraries, and campgrounds in addition to the formal program. At least half of the Festival events are free.

The Canadian Chamber Orchestra will give three performances, one of them conducted by Mario Bernardi, Musical Director of the National Arts Centre. Another concert will be outstanding in the number of eminent musicians brought together at one time. Included will be Marek Jablonski, Claude Kenneson, Isobel Moore, Zoltan Szekely, Tsuyoshi Tsutsumi, Bernard Turgeon, David Astor, David Zafar and the Canadian Brass. The opera this year will be *Don Pasquale*, a lively comic opera by Donizetti, directed by Carlo Maestrini, Artistic Director of La Scala in Milan.

Musical Theatre '75 will feature "Carnival" a show about a circus, directed by Douglas Campbell, with choreography by Norman Thomas and musical direction by Howard Cable.

Co-directors of the Dance Division are Betty Farrally, one of the co-founders of the Royal Winnipeg Ballet; and Frank Bourman, Associate Director and Ballet Master of the Royal Winnipeg. They will be staging a cross-section of dances expressing the ideas of choreographers across the nation.

In recent years the Festival has particularly encouraged Canadian playwrights and this year will be staging *Ben-Ur*, by Quebec playwright Jean Barbeau. There will also be informal script readings of new Canadian plays followed by coffee and conversation, with actors, audience, and playwrights sharing their views.

Brochures, tickets, and further information about the many and various activities available during the Festival may be obtained from Ms. Pat St. Pierre, The Banff Centre, Box 1020, Banff, Alberta T0I 0C0.

## SEASON'S LAST PRODUCTION FROM STUDIO THEATRE

Studio Theatre's "Stage '75" season comes to a close with a scintillating French comedy by Georges Feydeau who, writing at the turn of the century, elevated the bedroom farce into a minor classic form. *Hotel Paradiso* (written in collaboration with Maurice Desvallieres) is no exception, with an assortment of refined people stealing through the halls and rooms of a cheap hotel comically intent on assignments. There is the hero, the henpecked husband, who arrives in disguise with his friend's wife; a tottering octogenarian and a chorus girl; a stiff youth on his first flight with a housemaid; a nosey bellboy who impales our hero on a brace and bit as he tries to peek through the wall; and a host of others, including the police who arrive to raid the joint at the second act curtain.

*Hotel Paradiso* will run from March 27 to April 5 at Studio Theatre, Corbett Hall. It is directed by Jim de Felice and designed by Larry Miller. The box office in the Department of Drama's general office, 3-146 Fine Arts Centre opens today, March 20.

## HUB-STUDENTS' UNION CRISIS RESOLVED

A major financial crisis which had threatened the continued existence of the Students' Union has been resolved. Joe McGhie, president of the Students' Union, announced recently that the major financial problems related to HUB, which has operated at a loss since its opening, have been alleviated with the assistance of the University Board of Governors and the Department of Advanced Education. The government department has agreed to give

#### APPOINTMENTS

*F.D. Otto, Professor of Chemical Engineering, has been appointed Chairman of Chemical Engineering effective July 1, 1975. Born in Hardisty, Alberta Dr. Otto received his BSc and MSc at The University of Alberta and obtained a PhD at the University of Michigan. He joined the staff of The University of Alberta in 1962 as Assistant Professor; two years later he became Associate Professor, and six years later was appointed Professor. Dr. Otto's research interests include environmental engineering, natural gas processing, and the processing of bitumen from the Athabasca tar sands. He is a member of the Hydrocarbon Research Centre established here recently and is chairman of The University of Alberta Committee on Metrication.*

*D.I. Gough, Professor of Physics, has been appointed Director of the Institute of Earth and Planetary Physics, effective March 1, 1975. On staff at The University of Alberta since 1966, Dr. Gough had been Associate Director of the institute since its inception in 1970, and Acting Director since October 1, 1974. Born in Port Elizabeth, South Africa, Dr. Gough received bachelor's and master's degrees in science from Rhodes University College, and a PhD from the University of Witwatersrand. He worked in South Africa, Rhodesia and Nysaland, and the United States before coming to The University of Alberta in 1966. He has written or co-written 46 scientific articles, and his research interests range widely in geophysics.*

\$300,000 to the Board; one-third of this will be applied to HUB's 1975-76 operating deficit (expected to be \$120,000), while the remainder will be used to repay a loan which the Students' Union incurred in past efforts to pay for the housing-retail complex. In addition, the government will recommend to the Board that a \$700,000 loan granted earlier by the Board to the Students' Union be converted to a grant.

The Students' Union will retain management of HUB. It is hoped that the Union's contribution to HUB's annual deficit (\$20,000 in 1975-76, which is less than one-tenth the 1974-75 contribution) will disappear entirely as HUB becomes self-sustaining.

The agreement was worked out by the Students' Union, the Board of Governors, and the Department of Advanced Education in an attempt to allow the Students' Union to provide more services to its members while simultaneously reducing its outstanding debts.

#### PEOPLE

■ John King-Farlow, Professor of Philosophy, addressed the University of Hawaii Philosophy Club. Professor King-Farlow has been appointed Visiting Colleague at that university for the first part of his sabbatical leave.

■ Robert A. Papen, Associate Professor of Romance Linguistics at Collège Universitaire Saint-Jean, presented a paper at the International Conference on Pidgins and Creoles held in January at the University of Hawaii, Honolulu.

■ A. MacKay, Chairman of Elementary Education, has been commissioned by the Alberta Department of Education to conduct an evaluation of the Educational Opportunities Fund program which provides support for innovative projects in the schools.

■ Edith Down, Professor of Secondary Education, addressed the Nursing students at Cariboo College and the District Home Economics Teachers at Kamloops, British Columbia, on the changing role of women as observed in three countries of Africa.

■ Bernard Schwartz, Associate Professor of Elementary Education, has been elected to the Board of the Edmonton Art Gallery.

■ Bruce Bain, Assistant Professor of Educational Psychology, has an article in the forthcoming issue of *Journal of Canadian Studies*. Dr. Bain is currently at the University of Strasbourg as a Canada Council Research Fellow.

■ Don Gill, Director of the Boreal Institute for Northern Studies, presented an invited seminar on northern ecology to the Graduate School of Zoology, the University of Toronto.

■ Norman Yates, Professor of Art and Design, recently participated in two conferences: the

Annual Conference of the University Art Association of Canada, held in Toronto; and the Prairies Seminar of the Canadian Conference of the Arts, held in Winnipeg.

■ E.H. Pinnington, J.A. Kernahan, and P.H.L. Pang, all of the Department of Physics, attended a meeting of the Canadian Association of Physicists, Division of Atomic and Molecular Physics, at the University of Manitoba in February.

■ E. Nyland, Assistant Professor of Physics, has returned from a five-week expedition to the Peruvian Andes where he initiated a co-operative program with Instituto Geofísico del Peru.

■ Madan Paul, Assistant Professor of Family Studies, School of Household Economics, received a grant of \$6,500 from the Alberta Department of Health and Social Welfare to study the family and the handicapped child.

■ A.K. Davis, Professor of Sociology, is attending a working session of the Social Sciences Research Council (SSRC) helping to draft recommendations to the Prime Minister's Office regarding the new granting agency that will replace Canada Council for the social sciences and humanities.

■ Rolf Rogers, Associate Professor of Business Administration and Commerce, was guest speaker at the Data Processing Management Association's "Management Day '75" held in Calgary.

■ "A note on Friedrich Paulsen" by Joseph M. Kirman, Professor of Elementary Education, has been published in volume XV of the *YIVO Annual of Jewish Social Science*.

■ Walter Jungkind, Professor of Art and Design, has been nominated one of five jurors to adjudicate the awards for the best designed books in Canada in 1975 ("The look of books/les plus beaux livres"). This competition is sponsored by the National Design Council, Department of Industry, Trade, and Commerce, Ottawa, which is making available \$50,000 for three years for this purpose.

■ M.V. Dimic, Professor and Chairman of Comparative Literature, gave a public lecture at the Kolarcev Public University and two seminars in the Department of General Literature at the University of Belgrade. Later he attended at Bratislava the meetings of the Co-ordinating Committee and the Executive of the International Comparative Literature Association and submitted a report about the Association's publications on comparative literary history.

■ Don Gill, Director of the Boreal Institute for Northern Studies, presented a paper at the annual meeting of the Canadian Association of Geographers, Western Division, in Vancouver. Professor Gill also recently addressed the Rotary Club of Westlock.

---

## BOOKS

---

*Reference Materials in Slavic and East European Studies* by C.N. Suchowersky, Librarian; and *Statistical Sources in the Library: A Selected Bibliography* by Wasyl Hyrak, Librarian, have been published by the University Library. They are available through the University Bookstore and are priced at \$3.25 and \$3.50 respectively.

---

## VISITORS

---

- P. Rastall, Department of Physics, University of British Columbia, spoke at a colloquium in the Department of Physics.
- T. Pliske, University of Miami, Coral Gables, Florida, conducted a seminar in the Department of Entomology.
- Recent visitors who have spoken at seminars in the Department of Biochemistry have been Vic Ling, Ontario Cancer Institute, Toronto; and Marshall Elzinga, Department of Muscle Research, Boston Biomedical Research Institute, Boston, Massachusetts.
- Peter H. Venables, Chairman and Professor of Psychology, University of York, England, was a recent visiting lecturer sponsored jointly by the Department of Psychology and the Centre for the Study of Mental Retardation.

---

## NOTICES

---

### GENERAL RESEARCH FUND GUIDELINE FOR APPLICANTS

The following guidelines become effective April 1, 1975.

1. Members of the full-time faculty in any discipline are eligible to apply for small grants in aid of original meritorious research projects of a basic or applied nature.
2. The basic purpose of the fund is to enable staff members to initiate lines of research in situations where other funds are not readily available. Supportable projects may be of the following types:
  - (a) projects initiated by newly appointed staff;
  - (b) small projects for which the research budget is considered to be too small for funding by outside granting agencies.
3. All awards, regardless of merit, are subject to the availability of funds. The committee may set limits for the size of grants and for certain categories of expenses. A grant from the General Research Fund will not normally be in excess of \$1,500.
4. Applicants should state in clear, simple,

concise prose: the objective; method of study; relation of the project to other work in its specific area; applicant's demonstrated past experience and accomplishments with emphasis on published work; any other information indicative of the promise of the project.

5. Applications will be received at any time during the year. (Mail them to the University Research Grants Officer, Mr. Gordon Holmes, who is *ex officio* Secretary of the committee.)

6. Grants are terminated at the end of the fiscal year (March 31) following the fiscal year in which the grant is awarded. (For example, a grant made on October 9, 1974 would terminate March 31, 1976.) Requests for renewal will be considered.

7. Grantees are encouraged to submit a brief report, including a list of publications resulting from the project, at the termination of the grant or at any other time. The committee is anxious to document the effective use of the General Research Fund.

8. Applicants are requested to seek funds from outside the University whenever possible before applying for a General Research Grant.

For further information call the Research Grants and Contracts office, 432-5360.

### OPINIONS WANTED FROM SESSIONAL STAFF

The Association of the Academic Staff of The University of Alberta (AASUA) is interested in obtaining expressions of opinions from all academic staff appointed on a sessional or annual basis, in four areas: reaction to the economic settlement negotiated in January; suggestions for improvement in the economic package; reactions to the conditions of employment other than the economic ones; the type of membership desired with the faculty association (including means of representation on governing bodies).

The AASUA invites all members of the sessional staff to attend a special meeting to be held Tuesday, March 25 at 4 p.m. in the multi-media centre of Education North, to discuss these issues.

For further information, telephone the AASUA office at 432-4391.

### LIBRARY TO CLOSE GOOD FRIDAY

The Library system will be closed Good Friday, March 28. Regular hours of opening will be resumed Saturday, March 29.

### FALL KINDERGARTEN PROGRAM

The Department of Elementary Education will be operating a kindergarten program from September 3, 1975 to May 30, 1976. The children will be randomly selected with first priority being given to applicants from the McKernan, Belgravia, Garneau, and Windsor Park areas.

The majority of the children who attend

kindergarten must be five years old by the end of February 1976. A limited number of children who are four years old by the end of February 1976 will be considered.

Parents must provide their own transportation to and from the kindergarten, which is located across the street from the Faculty Club, near Saskatchewan Drive and 116 Street. The fee is \$15 a month.

For an application form contact the Department of Elementary Education, 539 Education Centre South, 432-4273.

### INTERDISCIPLINARY APPROACH TO HOUSING

Kamal Sayegh of the School of Urban Planning and Regional Design, University of Waterloo will be a visiting professor at the School of Household Economics July 2 to 15. Dr. Sayegh, an architect and regional planner, will conduct a three-credit course in Housing (CLTX 306).

Dr. Sayegh has edited the book *Canadian Housing—A Reader* and is just completing *Human Shelter in the Canadian Environment* which is to be published this summer.

Further information on this Summer Session course may be obtained by contacting A. Kernaleguen, School of Household Economics, 432-3826.

### MANAGERIAL ACHIEVEMENT SEMINAR

The Department of Extension is sponsoring a Managerial Achievement Seminar at the Overlander Lodge in Jasper, April 21 to 25.

The seminar has been designed to facilitate individual achievement through increased self awareness of management and team styles and by learning a method to effectively analyze the demands of the job. The seminar will be action-oriented with the participants operating in teams of five. The nature of the seminar demands continuous attendance from 9 a.m. Monday until 5 p.m. Friday. The program will also run late each evening. (The seminar does not, however, involve T-group or sensitivity training.) Participants will be mailed some work prior to attendance.

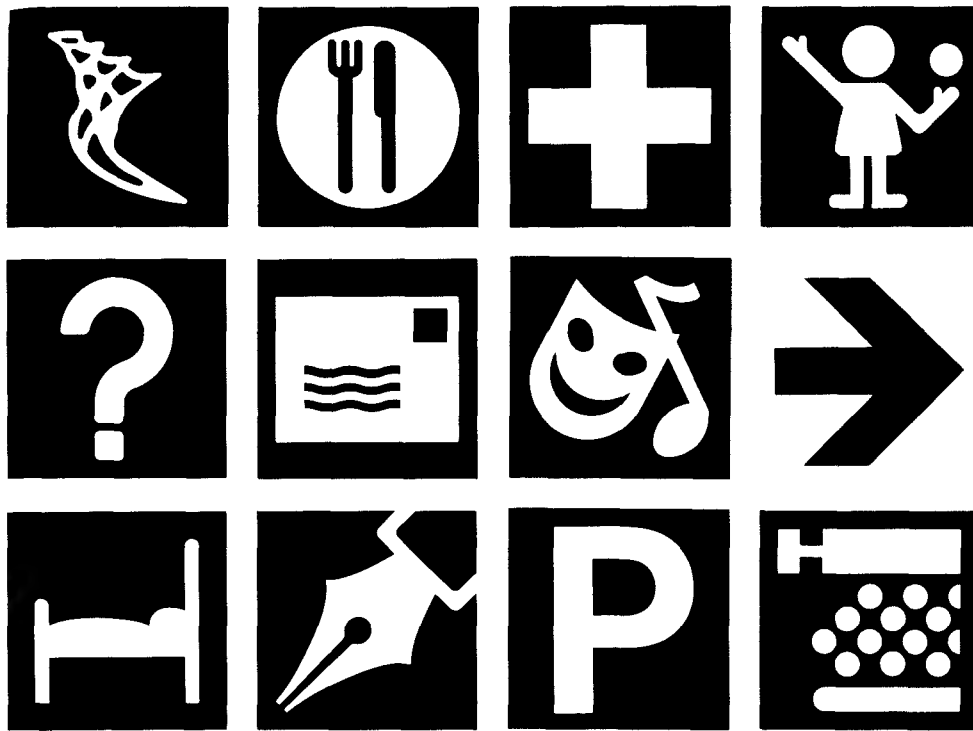

Registrations are being accepted at the Department of Extension, Corbett Hall where brochures and application forms are available; telephone 432-5066 or 432-5067. The fee is \$295 per person, including all materials, accommodation, and return transportation.

### WOMEN'S PROGRAM CENTRE

The Women's Program Centre is open daily from Monday to Friday in 276 Students' Union Building. The office hours are posted there. Further information may be obtained by calling 432-1190.

### PREPARING INCOME TAX RETURNS

The Department of Extension is offering a simple, non-technical course on preparing

*These pictograms will be used on campus maps, signs, and special publications being produced in conjunction with the Learned Societies 1975 Conference, to be held on campus from May 25 to June 7. They were adapted by Gunther Ruppel, fourth-year student of Visual Communication Design. The pictograms designate (from top left): Learned Societies meetings, food, medical care, child care, information, post office, entertainment, direction, accommodation, registration, parking, and press room.*

individual income tax returns, beginning March 24.

The course will consist of six Monday evening sessions from 7 to 9:30 p.m. at which preparation of 1974 individual income tax returns (T-1), supporting schedules, and examples of tax situations frequently encountered will be discussed. The fee is \$35, including materials, and registrations are being accepted in 228 Corbett Hall, 432-5066 or 432-5067.

#### **DANCE SESSION '75**

Registrations for Dance Session '75 are now being accepted. It will be held August 11 through 23, sponsored jointly by Special Sessions and the Faculty of Physical Education, and will offer courses for credit and non-credit in ballet, educational dance, folk dance, jazz, and modern dance.

The instructors include Joyce Boorman of the Faculty of Physical Education; Melissa Hayden, a principal dancer with the New York City Ballet until 1973; Judy Jarvis, winner of the Chalmers Choreography Award; Carlton Johnson, a jazz dancer and choreographer from Hollywood; Athan Kaaras, a leading Greek folk dance teacher; and Phyllis Lamhut, formerly a featured dancer with the Alwin Nickolaïs Company.

Brochures and further information may be obtained from Clive Padfield, Department of Educational Services, Faculty of Physical Education, 432-3653.

#### **SEMINAR ON WOMEN'S STUDIES IN HIGHER EDUCATION**

The Faculty of Arts and Science and the Division of Continuing Education, both of The University of Calgary, are sponsoring a Seminar on Women's Studies in Higher Education at The University of Calgary

May 1 to 3 (Thursday evening, all day Friday and Saturday).

The keynote speaker will be Jill Conway, Vice-President of Internal Affairs, the University of Toronto, and President-elect of Smith College, Massachusetts.

Papers from any discipline whose content or approach seem relevant will be welcomed. Individuals or groups wishing to submit papers should notify the committee of their intention as soon as possible. For further information, contact Ms. Catherine Warren, Division of Continuing Education, The University of Calgary, Calgary, Alberta T2N 1N4. Registrations are already being accepted.

#### **BEAUX ARTS BALL INITIATED**

The departments of Art and Design, Music, and Drama are sponsoring a Beaux Arts Ball to be held Friday, March 21 between 8 p.m. and 1 a.m. at the Northern Alberta Pioneers' and Old Timers' Hall on 99 Street just north of Saskatchewan Drive.

Harry Hill's "Good Old Days" band will supply the music, which has been described by the chairman of the committee, Jonathan Knowlton (Art and Design), as a combination of 1930s and 1960s "funk." Other members of the committee are: Michael Bowie (Department of Music, treasurer); Jeremy Dix Hart (Department of Drama, lighting); and David Liles (Department of Drama, liquor).

Dinner, wine, and beer will be supplied free and costume prizes will be awarded. The prize for the best costume for a couple will be dinner for two at the Chateau Lacombe, and prizes for the best individual female and best individual male costumes will be prints from faculty members of the Department of Art and Design.

Tickets at \$7 per person or \$14 per couple may be purchased at the general office of the Department of Art and Design, 3-98 Fine Arts Centre, 432-3261.

#### **GRADUATE STUDENT CONFERENCE BEING HELD HERE**

A conference of the Canadian Union of Graduate Students (CUGS) is being held at The University of Alberta from Thursday, March 20 to Saturday, March 22 in the Classics Department's conference room, 1-25 Humanities Centre.

### **THIS WEEK AND NEXT**

*Listings must reach the Editor by 9 a.m. the Friday prior to publication. Written notification is preferred. Compiled by Norma Gutteridge, 432-4991.*

#### **20 MARCH, THURSDAY**

##### **World Adventure Tours**

6 and 9 p.m. *Hungary* with Matthew and Shirley Mentis. Jubilee Auditorium. Tickets from the Bay Box Office, 424-0121.

##### **Graduate Students of English Association**

6:30 p.m. (One show only). *Les Anges du Pêche* plus *Les Dames du Bois du Boulogne* directed by Robert Bresson (1943, 1944), in French with English subtitles. LT-1 Audio-visual Centre, Humanities Centre. Admission \$1.

##### **Concert**

7 and 9:30 p.m. The Paul Horn Quintet. Students' Union Theatre. Tickets, \$3.50, at SUB Box Office, all Bay stores, and at the door. Advance tickets available to Students' Union members at SUB Box Office for \$3.

On April 7 a group of Civil Engineering students will pack their gear into a mini-bus and depart for Survey School at the Camp Wainwright army base. While the surveying principles with which they are equipped may not have changed much in the 60 years since the adjacent photo was taken, the instructional aids have. A Survey School information sheet tells students and staff that "arrangements have been made to have three terminals linked to the University computing centre, and the Wang 720 and other smaller calculators also will be available for student use. Instructors should encourage students to use the computing facilities and have them turn in computer print-outs as part of the various assignments." The students are reminded that "army beds are intended for sleeping thereon and are not robust enough for the support of wrestling matches or overturning or other displays of physical prowess."

## GRADUATE SCHOLARSHIPS AND AWARDS

---

*Notices regarding other awards and scholarships are  
posted in the Student Awards Office, 219 Central  
Academic Building. All inquiries should be directed to  
L. Henderson, Administrator of Student Awards,  
432-3495.*

#### Awards for Research and Study in Mental Retardation—National Institute on Mental Retardation and the Canadian Association for the Mentally Retarded

*Value:* \$2,500 plus travel and training award. *Number:*  
variable. *Where tenable:* any Canadian university.  
*Field of study:* pre-doctoral studies in the field of  
mental retardation or developmental disabilities.  
*Duration:* three years commencing August 1975.  
*Conditions:* applicants must be entering or pursuing  
graduate studies at a Canadian university with a  
view to a future career in this field in Canada.  
Special consideration will be given to those who  
concentrate their studies in organization dynamics,  
comprehensive human services system planning, and  
current trends in programming. *Apply to:* the  
receptionist in the Student Awards Office. *Closing  
date:* April 15, 1975.

#### The Brigadier W.N. Bostock Memorial Research Grant—British Columbia Cattlemen

*Value:* \$1,200. *Number:* variable. *Field of study:* a  
graduate research program which will be of practical  
value to the cattle industry of British Columbia.  
*Duration:* one year. *Apply to:* British Columbia  
Cattlemen, Box 420, Kamloops, British Columbia.  
*Closing date:* June 30, 1975.

#### Co-operative College of Canada Graduate Student Awards for Research on Co-operation and Co-operatives

*Value:* the value of each award is \$2,000. This is a  
grant to assist graduate research and is intended to aid  
graduate students doing a Master's thesis or PhD  
dissertation. *Tenure:* these awards are given once for  
a particular research project. *Fields of study:* the  
research must focus on some aspect of co-operation or  
co-operative activity in any discipline, including those  
in agriculture, social science, humanities, and business  
administration. *Eligibility:* applicants must be  
Canadian citizens or landed immigrants enrolled in a  
graduate program and planning to do research for  
a Master's thesis or PhD dissertation within the 1975-76  
academic year. *Sponsored by:* Federated Co-operative;  
Limited; Canadian Co-operative Wheat Producers  
Limited; Canadian Co-operative Implements Limited;  
Saskatchewan Co-operative Credit Society; Maritime  
Co-operative Services; Co-operative Trust Company of  
Canada; Co-operative Credit Society of Manitoba;  
British Columbia Central Credit Union. *Application  
forms:* available from the Student Awards Office,  
219 Central Academic Building, The University of  
Alberta. Applications should be submitted to the  
Co-operative College of Canada, 141 105 Street West,  
Saskatoon, Saskatchewan S7N 1N3, not later than  
July 1, 1975.

#### Research on Drug Abuse (RODA) Summer Scholarships

The Non-Medical Use of Drugs Directorate (NMUD)  
of Health and Welfare Canada under its program of  
Research on Drug Abuse (RODA) is supporting  
research directed towards providing information about  
all facets of non-medical drug use. This year, a number  
of RODA Summer Scholarships will be awarded to  
students embarking on a career in research. Other  
students whose future may involve treatment of non-  
medical drug use are also encouraged to apply for such  
scholarships. Examples of the kinds of work presently  
supported include: (A) The examination of social and  
individual antecedents, contributing factors, and  
patterns of drug use. This includes the impact of the  
law, law enforcement, and social mores on non-  
medical drug use. (B) Studies on the acute and  
chronic effects resulting from the use of these  
substances. (C) Development of new evaluation and  
assessment models. (D) Development of new  
qualitative and quantitative analytical methods to  
detect the presence of these drugs in the human body.  
*Eligibility:* students in social or behavioral sciences  
are particularly encouraged to apply. Students must  
obtain the sponsorship of a qualified research  
supervisor. Students must be registered in a Canadian  
university graduate program, or be planning to enrol in  
May or September 1975, or currently working towards  
a diploma, BA, BSc, or BSW degree and planning an  
eventual research career. *Amount of award:* students  
holding a bachelor's degree and enrolled in a graduate  
program may receive a maximum of \$1,920 for the  
summer (\$480 per month); students working towards  
a bachelor's degree may receive a maximum of \$1,680  
for the summer (\$420 per month). In addition, each  
successful applicant may receive operating funds, not  
to exceed \$500. *How to apply:* application forms may  
be obtained from your department head, the  
University Manpower Placement Office, or from the  
Director, Research Bureau, Non-Medical Use of  
Drugs Directorate, Health and Welfare Canada,  
Journal Building, 365 Laurier Avenue West, Ottawa,  
Ontario K1A 1B6. *Closing date:* March 15, 1975.  
Successful applicants will be sent an official award  
letter by April 1.
